

A message from BROWN INTERNATIONAL ACADEMY, IB WORLD SCHOOL

Good evening parents and guardians. This is Dr. Spates- Principal of Brown International Academy. I just wanted to remind everyone of our upcoming Chef's Night, which will be held on Thursday, October 6. Wonderful local chefs will be serving a unique variety of fresh vegetable and fruit salads and a vegetable rice dish with seasonal vegetable selections. We will have an apple sampling w/multiple tasty cheeses, and there will be free door prizes given out every 15 minutes so it will definitely be a wonderful night of free, delicious, healthy food tasting, as well as an opportunity to earn a volunteer hour. Please go ahead and get this date on your calendar and try your very best to attend. We would love to see you there!

Feel free to email me at spates_jennifer@hcde.org

Kindly,

Dr. Jennifer Spates
Principal- Brown International Academy, IB World School
