

A message from BROWN INTERNATIONAL ACADEMY, IB WORLD SCHOOL

Good evening parents. This is Dr. Spates- Principal of Brown International Academy. I wanted to take this opportunity to give you a few important reminders. First, I want to once again encourage everyone to participate in our annual Walk to School Event Wednesday, October 5. Coach Fike sent notices home about this on Friday. We will meet at the UTC Chamberlain field at 7:30 am. Parents are encouraged to attend! Next, I want to remind everyone that Chef's Night will be October 6 at 6:00 pm. Please come and join us. These initiatives are meant to promote healthy living- both diet and exercise. Parents, if you have children in PreK, you may not simply go and get your other students out of class when you pick up your PreK student. You must officially check students in grades K-5 out at the office. We suggest you wait in the IB Park until 2:50. If not, your child will miss out on valuable instruction and likely get very behind. Lastly, our school will be participating in free dental screenings during the week of October 12. Permission letters will be sent home on Oct. 5. If you would like for your child to receive FREE dental sealants here at school (a value of several hundred dollars) please make sure that you sign and return the permission slip. Thanks and have a great evening!

Feel free to email me at spates_jennifer@hcde.org

Kindly,

Dr. Jennifer Spates
Principal- Brown International Academy, IB World School
