1 acrylic paint set (smallest set, any brand and amount)

Supply fees: The supply fee for each grade level is \$60.00. This money is used to provide the children with materials, and other supplies not furnished by the school system. It is very helpful if the entire supply fee is paid at the beginning of the year; on or before August 15, 2011. If this is not possible, at least one-half should be paid the first semester, and one-half by the end of the year. Also, each grade level will have a list of supplies that each child must bring to school. Please bring all supplies on the first day of school.

(The fee waiver sheet does not cover the above items.)
